Dear Mr Holohan

Thank you for submitting your product details for verification under the Certified Input scheme. This letter is formal notification that the product **Sentry** is **PERMITTED** for use within organic farming systems, under *Soil Association standards for organic farming and production*, for use as a leaf wash for bacteria and fungi control.

Please note that this letter does not represent any form of Soil Association approval or endorsement, its only function is to detail the status of a product within organic standards and the nature of its uses. This letter cannot therefore be used as evidence of organic certification. The product cannot be sold or marketed with any reference to Soil Association approval or the Soil Association symbol.

This verification is not time limited. However please inform us of any changes to the product specification or suppliers. Please note that if this is not provided or the changes are not approved the formal verification of this product will be withdrawn.

Please find enclosed a receipt for the verification fee. If you have any queries regarding the nature of the approval or the Certified Inputs scheme please do not hesitate to contact me on 0117 914 2406.

Yours sincerely,

CO-David Mowat  
Senior Certification Officer
